

MAT 124 : Medical Business Practices II

This course introduces medical business practices not covered in Medical Business Practices I. Topics include, but are not limited to, fiscal management practices (to include paper and/or electronic bookkeeping, banking, and payroll procedures). This course also includes concepts of insurance and third-party reimbursement and eligibility requirements for filing insurance claims. Concepts of outpatient procedural and diagnostic coding will be included in this course of study. Upon completion, students should be able to manage the medical business and insurance procedures at an intermediate level.
