

Enrollment Services

The Office of Enrollment Services is responsible for the outreach, recruitment, dual enrollment, and orientation programs at Gadsden State. This office houses a staff of Enrollment Specialists who are assigned to personally assist each high school in our service area with these programs. Enrollment Specialists are available to provide presentations on topics including Gadsden State degree/certificate programs, admissions procedures, scholarships, financial aid, dual enrollment, college planning, and career exploration. Enrollment Specialists also work closely with high school guidance counselors and community organizations to provide individual advisement to prospective students regarding all aspects of the enrollment process. In addition to outreach visits, Enrollment Specialists host special events on all Gadsden State campuses, including college tours, preview days, summer programs and orientation events. The goal of the Office of Enrollment Services is to help ease the student's transition into college and careers while increasing the rate of completion and success, and investing in the future workforce. For more information, contact the Office of Enrollment Services at 256.549.8305.
