## Civil Engineering Technology A.A.S.

Advisor - East Broad Campus: Marshall Bailey, Bevill Center (256.549.8624) mbailey@gadsdenstate.edu

NOTICE(s): For the A.A.S. Degree in the Civil Engineering Technology Specialty, the student must complete a minimum of 76 credit hours—a minimum of 61 in technical courses and a minimum of 15 in general education courses—all of which must be approved by the advisor. A maximum of 9 credit hours of technical electives may be selected from any approved area of Engineering Technology programs with prior written approval from the student's major advisor. Technical courses may vary to meet student needs and to provide options. Admission Requirement: High school diploma or GED.

The student is responsible for verifying the transferability of credit in this program to a senior institution with the appropriate senior institution advisor.

The courses in this program of study may not be offered every semester. It is important to consult with your advisor to determine course schedules to stay on track to graduate.

This program is offered at the East Broad Campus only.

### Area I — Written Composition

| Item #  | Title                 | Hours | Grade | Term Completed |
|---------|-----------------------|-------|-------|----------------|
| ENG 101 | English Composition I | 3     |       |                |
|         | Sub-Total Credits     | 3     |       |                |

### Area II — Humanities and Fine Arts

| Item # | Title                         | Hours | Grade | Term Completed |
|--------|-------------------------------|-------|-------|----------------|
|        | Humanities/Fine Arts Elective | 3     |       |                |
|        | Sub-Total Credits             | 3     |       |                |

#### Area III — Natural Sciences and Mathematics

| Item #  | Title                                 | Hours | Grade | Term Completed |
|---------|---------------------------------------|-------|-------|----------------|
| INT 104 | Principles of Technology              | 3     |       |                |
|         | MTH 100: Intermediate College Algebra | 3     |       |                |
|         | OR numerically higher                 |       |       |                |
|         | Sub-Total Credits                     | 6     |       |                |

## Area IV — History, Social and Behavioral Sciences

| Item # | Title                                   | Hours | Grade | Term Completed |
|--------|---|-------|-------|----------------|
|        | History, Social and Behavioral Sciences | 3     |       |                |
|        | Elective                                |       |       |                |
|        | Sub-Total Credits                       | 3     |       |                |

# Area V - Required Technical Courses

| Item #  | Title                                       | Hours | Grade | Term Completed |
|---------|---|-------|-------|----------------|
| CET 100 | Engineering Blueprints                      | 3     |       |                |
| CET 101 | Introduction to Engineering Technology      | 3     |       |                |
| CET 215 | Statics                                     | 3     |       |                |
| CET 217 | Strength of Materials                       | 3     |       |                |
| MDT 105 | Introduction to Computer-Aided Design (CAD) | 3     |       |                |
| MDT 146 | AutoCAD CADD                                | 3     |       |                |
| MDT 147 | Inventor CADD                               | 3     |       |                |
| ORI 101 | Orientation to College                      | 1     |       |                |
| CET 111 | Fundamentals of Surveying                   | 3     |       |                |
| CET 112 | Intermediate Surveying                      | 3     |       |                |
| CET 131 | Highway Design and Construction             | 3     |       |                |
| CET 214 | Hydraulics                                  | 3     |       |                |
| WKO 101 | Workplace Skills Development I              | 1     |       |                |
|         | Sub-Total Credits                           | 35    |       |                |

## **Additional Coursework**

Students must choose the remaining 26 credits from the following list:

| Item #   | Title                               | Hours | Grade | Term Completed |
|----------|-------------------------------------|-------|-------|----------------|
| CET 105  | Introduction to Microstation        | 3     |       |                |
| CET 121  | Engineering Materials               | 3     |       |                |
|          | CET 181 or CET 183                  | 3     |       |                |
| CET 213  | Topographical Surveying and Drawing | 3     |       |                |
| CET 216  | Advanced Surveying                  | 3     |       |                |
| CET 221  | Construction Equipment              | 3     |       |                |
| CET 222  | Residential Land Development        | 3     |       |                |
| CET 223  | Site Planning and Development       | 3     |       |                |
| CET 240  | Geographic Information Systems      | 3     |       |                |
| CET 281A | Special Topics in Civil Engineering | 3     |       |                |
|          | Technology                          |       |       |                |
| CET 281B | Special Topics in Civil Engineering | 3     |       |                |
|          | Technology                          |       |       |                |
| CIS 146  | Computer Applications               | 3     |       |                |
| MDT 122  | Architectural Drawing               | 3     |       |                |
| SPH 106  | Fundamentals of Oral Communication  | 3     |       |                |
|          | Sub-Total Credits                   | 42    |       |                |
|          |                                     | 76    |       |                |
