

Diagnostic Medical Sonography - Echocardiography Short-Term Certificate

Advisor - Valley Street Campus: Rebecca Southern (256.439.6885), rsouthern@gadsdenstate.edu

NOTE: This short-term certificate program is not eligible for Title IV funding. (Pell Grant, SEOG, ASAP).

The courses in this program of study may not be offered every semester. It is important to consult with your advisor to determine course schedules to stay on track to graduate.

Admission Requirements:

The Echocardiography STC Program offers a unique hybrid experience. Online courses and evening lab times offer working Sonographers the opportunity to build on their current skills and add a new modality to their resume.

Applicants must meet at least ONE of the following qualifications to be eligible to apply:

- Graduate of a CAAHEP accredited DMS program
- Vascular Registered Sonographer Credential with ARRT, CCI or ARDMS
- Employed Sonographer with over 5 years clinical scanning experience
